

Oh Deer!

Note: Full sheets of each habitat part are available at www.projectwild.org/GrowingUpWILD.htm. You may opt to print each on a different color to aid in quick and easy identification (i.e. Water on blue; Shelter on green; etc.).

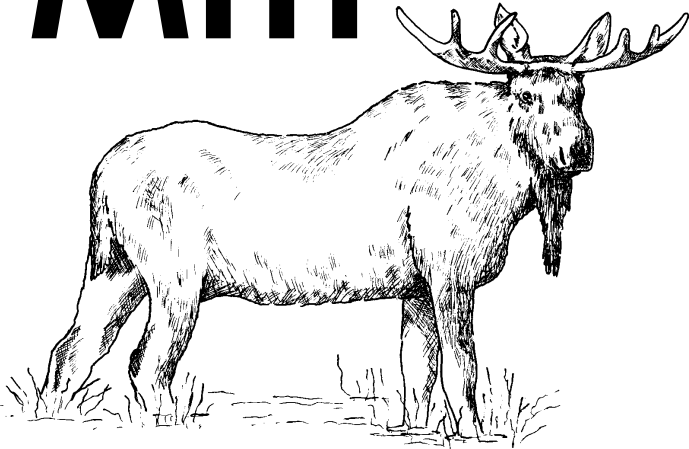

Directions: Copy sets of the **Food, Water, Shelter, Space** cards below onto card stock. Make enough copies so that you have one set for each child. Note: there are two sets of cards per sheet. See activity procedure for using the cards to make habitat headbands.

	Space		Space
	Shelter		Shelter
	Water		Water
	Food		Food
