## Bird Buffet

### What Did You Learn?

1. Why do you think birds prefer to eat certain kinds of foods and not others?
2. What kind of birds would you not expect to see at the feeders described in this activity? Why?
3. Can you think of additional ways to provide food for birds?

### Wanted: Your Feedback

1. Were the activities easy for participants to assemble?
2. Would you make any changes or suggestions in assembling these feeders?
3. Would you make any changes or suggestions for doing this activity in the future?

### Question for Reflection

**W**hat kind of feeder would you make to attract hummingbirds? How about ducks?
