Celebrate Migration Day

What Did You Learn?

1. How does International Migratory Bird Day (IMBD) help birds?
2. What did you learn about migratory birds and their conservation from this year's International Migratory Bird Day theme?
3. How do particular bird species in your area illustrate this year's IMBD theme?

Wanted: Your Feedback

1. How well do you think your booth helped participants understand this year's International Migratory Bird Day theme?
2. What are the main points that visitors to your booth learned?
3. What would you change if you were to create your activity again?

Question for Reflection

1. Why is the well-being of migratory bird species an issue that must be addressed internationally?
2. In addition to celebrating IMBD, what can people do to help migratory birds?
