### CONSENT AND RELEASE (ADULT)

I agree and consent that the Association of Fish and Wildlife Agencies, as well as any of its principals, agents, employees, clients, licensees, and assigns have the right to photograph or videotape me and use such videos, photographs, and related materials containing my picture or other physical reproductions of my likeness for any purpose in any medium of communication including, but not limited to, television, newspaper, magazines, newsletters, social media, web pages, and brochures. I further give the above persons and entities the right to take and use any interviews and recordings of my voice, in such format and with such editing as the above persons and entities deem appropriate, without compensation to me now or in the future.

All right, title, and interest in the photographs, video, and sound recordings and related materials and reproductions belong solely to the Association of Fish and Wildlife Agencies.

I hereby release the Association of Fish and Wildlife Agencies and any of its principals, agents, employees, clients, licensees, and assigns from all liability and claims, known or unknown, that might arise by reason of the taking, use, and utilization of any such photographs, videotapes, interviews, and other recordings.

I understand and agree to the conditions outlined in this release and consent form, and acknowledge that I am fully aware of its contents. This consent and this release are given in perpetuity.
