# Grant Goals and Objectives

**GOAL: Drive Educator Excellence through developing a cadre of educators and trainers who are environmentally literate and better prepared to be effective environmental educators.**

## Objectives

- Deliver in-service educator training that builds on existing quality environmental education programs.
- Increase outreach to diverse populations (including geographical diversity).
- Increase delivery of wildlife and climate change professional development to in-service educators.
- Deliver pre-service educator training that enables faculty and instructors in education departments at colleges and universities to effectively include environmental education in their courses. Special emphasis on working with HBCU's and Tribal colleges.

# The Highlights

- Project WILD is committed to training 600 formal and non-formal educators (1A). \$13,000 is available for training in Project WILD, Aquatic WILD, or Flying WILD. \$1,000 is available for training in Climate and Wildlife
- Project WILD is committed to training 100 pre-service education majors (1B). \$4,000 is available for training in Project WILD, Aquatic WILD, Flying WILD, or Climate & Wildlife
- Growing Up WILD is not eligible
- Food costs are not eligible

# Participating as a Project WILD Sub-Recipient

- Must submit an RFP
- Must submit an interim and final report
- All work must be complete by May 31, 2024
- 1 guide received = 1 educator trained

A young boy with dark hair is holding a large, spotted frog in his hands. He is looking at the frog with a slight smile. The background is a bright, out-of-focus outdoor setting.

# Request for Proposals

- Accepted on a rolling basis until all funding is exhausted
- Contact Information and Fiscal Agent (if necessary)
- Target Audience
  - Preservice or In-Service
  - Numbers you will reach
  - Materials they will be trained in
- Description of the training
  - Location, Title 1 School, demographics, etc.
  - Number of educators
  - Number of guides you are requesting
  - In-person, Online, Hybrid
- Goal of the workshop
- List two outcomes of the workshop
  - Value added; the impact; the knowledge gained; behavior changed

# RFP (Continued)

- Timeline
  - Provide a brief outline of what you need to do
  - This can include: create flyer to advertise the program, put together kits for the workshop, etc.
- Budget – if you are only requesting guides, this is not necessary. If you are requesting salary reimbursement, supplies, etc. then you must fill this section out.
  - Funding cannot be used for food or indirect expenses.

# Reporting

- Interim progress report due December 1, 2023
  - This is a short paragraph describing the work you've done so far
- Final Report Must Include:
  - Attendee list
  - Agenda
  - Description of workshop
  - Use the links in RFP on website. You will have the opportunity to upload documents, and you can always email supporting documents
  - Complete one form for each workshop. If your workshop took place over multiple days, just fill out one form
- Optional Final Report Items:
  - Photos – We love photos! You can use the photo release form on the website
  - Demographic information – not required, but greatly appreciated...**ESPECIALLY the ZIP CODES!**
  - Flyers used to advertise the workshop. It would be great if the ee360+ logo was on there
  - Presentation slides. I would be great if the ee360+ logo was on there
